SUPERINTENDENT'S REPORT

To the School Board and Citizens of Richmond:

I have the honor to submit, herewith, my first report.

TEACHERS AND PUPILS: One change occurred in the teaching force during the summer, Miss Nellie Platukis of Newton Junction, N. H., graduate of Keene Normal, 1938, replacing Mrs. Gladys H. Hood at the Four Corners School. Mrs. Esther Noseck has continued as teacher at North Richmond.

The enrollment in each school on September 30, 1938, was as follows:

Grade,	1	2	3	4	5	6	7	8	Total
North Richmond,	0	2	1	9	4	1	3	0	20
Four-Corners,	2	4	1	6	1	2	4	5	25
	—	—	—	—	—	—	—	—	—
Total,	2	6	2	15	5	3	7	5	45

The census returns indicated that eleven Richmond pupils were continuing their education beyond the elementary school, four being enrolled at Keene and seven at Winchester. One elementary school child was attending school at Troy.

COURSES OF STUDY: New geography and history text books have been put into the schools, and several replacements have been made in reading books.

Studies are being made in the fields of handwriting, spelling, arithmetic, and reading to find out lines of weakness in order that remedial work may be given.

HEALTH SERVICE: Due to a reorganization of districts for school nurses, it has been found necessary to replace Miss Margaret E. Harris by Miss Barbara Gilman of Winchester. The Richmond Board has made arrangements to secure her

services for the remainder of this year. Dr. Emerson, School Doctor, reports five cases of defective vision, and fourteen cases of diseased tonsils and adenoids among the forty-one pupils examined last November.

In conclusion, I wish to express my appreciation of the cooperation received from members of the School Board and the teaching staff.

Respectfully submitted,
CHARLES W. WALKER,
Superintendent of Schools.

February 16, 1939,
Winchester, N. H.

GRAVE FOREST SITUATION FOLLOWS SEPTEMBER HURRICANE

Woodland problems of timber salvage and fire control created in many towns by the September hurricane are of the greatest importance. **GOOD CITIZENSHIP CALLS FOR PERSONAL AND WIDESPREAD ACTION!**

The salvage of every thousand feet of logs which can be sold means money for landowners, wages for workers, employment for trucks, teams and machinery, as well as reduced forest fire hazard for all. If owners of windthrown timber have not yet acted, they should communicate with those who can help. **TOWN CHAIRMEN** are fully informed; **STATE ADVISORY AGENTS** can help to start logging by suggesting names of operators and giving other useful advice; **FEDERAL AGENCIES** are increasing the number of log storage places as rapidly as possible. **INDIVIDUALS MUST NOW COOPERATE!**

Forest fire danger for several years will be greater than usual. So much work must be done by public agencies to reduce hazard along roadsides, near improved and other exposed areas that many places will remain hazardous for some time to come. **INDIVIDUAL LANDOWNERS MUST TAKE A PERSONAL INTEREST!** Aid in clean-up work through the Agricultural Conservation Program is available to any woodland owner at \$4.00 per acre on areas up to 15 acres. The County Agent should be consulted.

Support your local Forest Fire Wardens and Deputies. They are planning, with State and Federal agencies, an intensive campaign to control fires. Help them by strict observance of the fire laws. Kindle no open fires without a permit from the Warden except when the ground is covered with snow. Cooperate by reporting fires you may see and in other ways. **YOU CAN HELP, AND IT WILL PAY, TO PREVENT FOREST FIRES!**
